

# BARTOSZ JĘDRASIK - FRONTEND DEVELOPER

+48 534 998 744 • [hello@paleglow.dev](mailto:hello@paleglow.dev) • <https://paleglow.dev>

## EXPERIENCE

---

APRIL 2019 → OCTOBER 2021

### OWLS DEPARTMENT

Collaborated with a large team on developing several UI-heavy frontends powered by Vue. Keen focus on design & accessibility.

AUGUST 2018 → MAY 2019

### STRIX

Delivered several Magento-powered storefronts alternating between Knockout & Vue.

JANUARY 2017 → APRIL 2018

### PERFECT DASHBOARD

Responsible for frontend code & design of a robust web application plus homepage. Worked with Vue on Laravel.

JULY 2014 → APRIL 2016

### MFITC

Handled frontend development & design for multiple web, Android & Universal Windows Platform apps.

JUNE 2014 → JULY 2014

### INTERNSHIP UNDER PATRONAGE OF MICROSOFT

Developed frontend & backend for a Universal Windows Platform app using .NET and basic Microsoft Azure cloud services.

## ACADEMIA

---

2014 → 2016

### COMPUTER SCIENCE - UNIVERSITY OF ŁÓDŹ

Graduated with excellent grades. Was an active member of Studenckie Centrum Informatyczne UŁ. Fond memories.
